There is no automated decision-making.

Retention period

Personal data processed by NodeXS are retained in accordance with the relevant laws and regulations. If a longer retention period is necessary under laws or regulations, the personal data will be kept longer in accordance with these requirements. All (obtained) personal data will not be kept longer than strictly necessary.

Third party processing

NodeXS only shares personal data with third parties if strictly necessary for the execution of an agreement and to comply with relevant laws and regulations. No personal data is sold. NodeXS may have a legal obligation to share personal data with third parties. If personal data is shared with third parties, processing agreements are concluded for this purpose. The third parties with whom personal data is shared are:

1. Software suppliers, for the purpose of executing the agreement. The categories of personal data processed are contact and name and address data.
2. Website administrator, for the purpose of executing the agreement. The categories of personal data processed are contact and name and address information.

Security of Personal Data

NodeXS takes the protection of your personal data seriously and in this regard, taking into account the state of the art, implementation costs, as well as the nature, scope, context and purposes of processing and the risks to the rights and freedoms of individuals that vary in terms of probability and severity, takes appropriate technical and organizational measures to ensure a level of security appropriate to the risk.

Disclaimer

By using the website you agree to the disclaimer. NodeXS reserves the right to change the content of its website and/or this disclaimer at any time without informing its customers and/or users of the website about this change. The content of the website is composed with the utmost care, but may nevertheless contain possible inaccuracies or be incomplete. NodeXS in no way accepts any liability for damage caused by, or resulting from the use of the website. The use of this website is entirely at the risk of the user. No rights can be derived from the content of the website. All texts on the website are copyrighted and owned by NodeXS insofar as they do not belong to third parties.

Cookie Statement

NodeXS uses technical and functional cookies to optimize the website. Cookies are small text files that are sent along with the visit to a website to make visitors' user experiences more efficient. NodeXS may, by law, store cookies on your device if these cookies are strictly necessary to use the website. Other types of cookies require your consent. We recommend accepting cookies in connection with the usability of the website. Visitors to the website have a check in option.

The cookies used by NodeXS are functional cookies: these cookies ensure that the website works properly. These cookies do not affect personal privacy so no permission needs to be asked and granted. For example, these cookies save your browser settings so that our website can be best viewed, or that the website remains accessible (load-balancing) but also cookies that ensure that no other cookies may be placed (no-follow).

With your permission, we place "tracking cookies" on your computer. We use these cookies to keep track of the pages you visit in order to build a profile of your online behavior. This profile is not linked to your name, address, email address and the like, but only to tailor advertisements to your profile so that they are as relevant to you as possible.

Cookies from Google are also placed on the NodeXS website for the purpose of Google Analytics. We do not track information about what you do on the Internet. Google Analytics may be required under applicable laws and regulations to provide access to this data. As a result, NodeXS cannot link information to a natural person. If you have any questions about this, please contact us at info@NodeXS.com.

Use Social Media

NodeXS uses third-party cookies to optimize the website. Some cookies are set by third-party services displayed on the website. Third parties refers to Google Analytics and Social Media (LinkedIn, Facebook, Twitter). The use of cookies from other companies (third parties) is subject to the privacy and cookie policy of the respective company. When you click the Social Media button on the website, a Social Media cookie is placed. This allows the Social Media party to recognize your IP address as soon as you share an article from the website. For the cookies of Social Media parties and the data and/or personal data they collect with this, NodeXS refers you to the privacy and cookie statements of these parties.

Browser Settings

If you do not want websites to place cookies on your device with which you view the website, you can adjust your browser settings. Before a cookie is placed, you will receive a warning and must give your consent for the cookie. Failure to do so may result in, for example, reduced website performance. You can adjust your browser settings so that your browser refuses all cookies, including those from third parties. You can also delete placed cookies. To do this you must adjust your browser settings via preferences and then you can adjust the privacy settings.

This privacy statement does not apply to third-party websites linked to this website through links. We cannot guarantee that these third parties will handle your personal data in a reliable or secure manner. We encourage you to read the privacy statements of these websites before using them.

Right of data subjects

As a data subject, you have the following rights:

1. Right of inspection;
    As a data subject, you have the right to obtain clarification as to whether or not your personal data are being processed and, where this is the case, to obtain access in relation to their processing.

2. Right to rectification;
    You have the right to obtain rectification and completion of inaccurate data.

3. Right to data erasure;
    Without unreasonable delay, a data subject must obtain erasure of personal data concerning him.

4. Right to restriction of processing;
    As a data subject, you have the right to restrict the processing of your personal data. To do so, please contact NodeXS.

5. Right to data portability;
    A data subject has the right to obtain the personal data concerning him that he has provided to NodeXS , in a structured, common and machine-readable form, and also to transfer these data to NodeXS without being hindered by the controller to whom they were provided.

6. Right to object;
    The data subject shall have the right to object at any time, for reasons relating to his particular situation, to the processing of personal data concerning him including profiling on the basis of those provisions. NodeXS shall cease processing personal data unless there are compelling legitimate grounds for the processing which override the interests, freedoms and rights of the data subject relating to the exercise, institution or support of legal claims.

Complaint

If you have a complaint about the way NodeXS handles your personal data, or wish to exercise any of the above rights, please contact us via the contact form on the website or by email at contact@nodexs.com. To ensure that you wish to exercise a right, NodeXS requests that you send a copy of your proof of identity. Please black out your passport photo and MRZ (strip of numbers at the bottom) to protect your privacy. NodeXS will respond to your request as soon as possible, but no later than 4 weeks. You can also file a complaint with the Personal Data Authority. This is the competent enforcement authority. You can contact them via this link: https://autoriteitpersoonsgegevens.nl/nl/contact-met-de-autoriteit-persoonsgegevens/tip-ons.

Privacy Statement Changes

NodeXS may modify the privacy statement at any time. The most recent version is published on the website. Therefore, always keep an eye on the website for the most recent version. If the new privacy statement affects the way we process data already collected about you, we will notify you by e-mail.

This version was last adopted on September 18, 2020.
